SUBJECT: MUR 6204 (Dallas County Republican Party) – Pre-Probable Cause Conciliation

Attached is a proposed conciliation agreement that has been signed by the Dallas County Republican Party and Jonathan Neerman, in his official capacity as treasurer. The agreement would settle the Committee's violations of 2 U.S.C. §§ 434(b)(2), (4) and (5) by misstating financial activity and disclosing inaccurate or incomplete information regarding disbursements.

Accordingly, we recommend that the Commission accept the attached conciliation agreement and close the file.
